LarpHacks — Judging & Submissions

November 1, 2026 · Hacker quick guide

The theme will be revealed at the opening ceremony.

6:00 PM hard submission cutoff · Judging starts 6:30 PM · Toronto time

Full event schedule →

Judging · 30 points

Six criteria, 5 points each. Scale: 1 = weak · 3 = good · 5 = excellent.

- Working Product — Does the core feature work?
- Usefulness — Does it solve a real problem?
- Theme Alignment — Does it address the theme revealed at opening?
- Creativity — Is the idea original or clever?
- Ease of Use — Is it simple and intuitive?
- Demo — Can you clearly show the working product?

Each sponsor track has a separate score out of 5. Sponsor scores never count toward the main total.

Submission & demo

Submit by 6:00 PM sharp. Judging runs 6:30–8:00 PM. Each team gets a 2-minute demo + 2-minute Q&A.

Have your project name, team members, short description, working demo/access instructions and chosen prize tracks ready. The submission link and required uploads are still to be confirmed.

Overall prizes

- 1st: $300 cash per team + $297 ElevenLabs Pro credits per person + $300 Featherless AI credits per team + gold certificates.
- 2nd: $150 cash per team + mystery backpack (~$50 listed value) + silver certificates.
- 3rd: $67 cash per team + $15 McDonald’s gift card + bronze certificates.

Sponsor prize tracks

You may enter multiple eligible tracks. Show a working integration or relevant prototype in your demo.

Render

Deploy a working app/service on Render. Show the live deployment and explain Render's role.

Prizes: $500 / $300 / $100 in Render credits for 1st / 2nd / 3rd. Sponsor notes also list $50 building credits per hacker. Redemption terms apply; claim instructions pending.

ElevenLabs

Use ElevenLabs in a working voice/audio feature and demonstrate its value.

Prize: $897 in Max credits per person on the winning team.

Agentboxd

Give an agent email access through Agentboxd and show its working inbox.

Prize listed: 3 months of the Team plan ($360 USD).

Sportiner

Build a working tennis or pickleball prototype useful for players, coaches or organizers.

Prize and award details: pending confirmation.

Teams:

Teams of 1–4. Solo hackers can join team formation.
